

ScriptPro

Robot Family Album

SP 200[®]—Born in 1994. Loves to work for you—even 24 hours a day. Fills up to 75% of your volume at a pay scale of approx. \$12/hr.

SP 100[™]—Born in 2003. Smaller—fits in tight spots. Fills up to 45% of your volume. Takes the stress off your staff.

SP 50[™]—Born in 2006. A Robot Starter Kit for low volume pharmacies. Get this little powerhouse for up to 35% of your volume.

All ScriptPro Robots will:

- Provide time for customer service
- Increase accuracy
- Maximize revenue

Improve efficiency in your pharmacy and lower dispensing costs. Give your pharmacists time to counsel your valued customers. Call today to find out which ScriptPro robot is right for your pharmacy.

Thousands of pharmacies worldwide have adopted a robot from the ScriptPro family of products.

ScriptPro[®] Perfect Integration
