

The Innovative Pharmacy Practice Award

The Innovative Pharmacy Practice Award was introduced in 1993 and has been well accepted by the numerous state associations including Puerto Rico and the District of Columbia. Sponsored by Elan Biopharmaceuticals. The following criteria were adopted by the planning committee of NCSPA and should be used in your recipient selection process.

A nominee should be a practicing pharmacist within the geographic area represented by the presenting association and should have demonstrated innovative pharmacy practice resulting in improved patient care.
